

Archives Alive!

Saturday, October 11, 2008

2:00 p.m.

IUSB Campus—Wiekamp Hall

Celebrate National Archives Month with your favorite local archives. Quiz staff from a wide range of local archives—public and private, secular and religious, corporate and academic. Learn from archivists and see their displays as you get a rare behind-the-scenes peek at the history held by local institutions.

What new information will you find about your favorite aspect of local history? What “secret” collections in these local archives will help your genealogy research? If you like history, you'll want to join us at 2:00 p.m. in Room 1001 at Wiekamp Hall on the campus of Indiana University South Bend. Park for free in the on-campus garage at the corner of Mishawaka Avenue and South 20th Street, which is directly connected to Wiekamp Hall.
