Purchase Agreement

Description of Object(s)

Purchase Price

The objects described above have been received by the New York Transit Museum as a purchase, and the vendor desires to absolutely transfer full title by signing below. Except as otherwise described by the vendor in writing attached to this Purchase Agreement, the vendor represents and warrants to the New York Transit Museum and its successors and assigns:

1. that the vendor owns all right, title and interest in the property described above
2. that no other person has any right, title or interest in the ownership, use or possession of such property
3. that such property is given, assigned and conveyed to the New York Transit Museum free and clear of any lien, security agreement or encumbrance whatsoever.

The vendor further represents and acknowledges that the New York Transit Museum has paid the vendor the full price. The vendor hereby gives, assigns and conveys, finally and completely, without any limitation, condition or reservation, all right, title and interest in the property described above to the New York Transit Museum including without limitation all copyright.
